REPORT OF DISTRICT NURSE

The District Nurse has made 403 calls during the last year and has collected sixty dollars and fifty cents.

A large percentage of these cases were old people on the pension list of the state.

(Signed) CELIA M. WHEELER,
District Nurse.

STATE BOARD OF HEALTH
Division of Public Health Nursing

The following is a report of the activities carried on by the State Board of Health, with the cooperation of the Local Board of Health, Community Health Committee and American Legion and Auxiliary.

Well Child Health Conference held during the year 12
Total attendance 101
Infants 55
Pre-school 46

Total defects found 58, which is fewer than on previous years due to regular medical supervision. Children from Rumney, Campton and Beebe River also attended these conferences.

Diphtheria Immunization Clinics were held in connection with the Child Health Conferences with a total of 8 immunized; infants 5, pre-school 3.

I wish to thank all who cooperated in making this work in this town successful.

JEANNETTE G. BOIS, R. N.

N. H. State Board of Health.

Auditor's Report

Plymouth, N. H., February 17, 1941.

I have examined the accounts of the Board of Selectmen; Frank H. Foster, Town Treasurer; Ernest B. Hardy, Tax Collector; J. Claire Peaslee, Town Clerk; Felix McCarthy, Overseer of Poor; Archie R. Hobart and Clayton H. Whiting, Road Agents; R. Preston Martin, Treasurer of the Board of Trustees for Trust Funds; Harry S. Huckins, Treasurer Library Trustees; William A. Kimball and E. F. Shanahan, Justices of the Municipal Court; Ernest B. Hardy, Treasurer Plymouth Fire District; Ernest B. Hardy, Treasurer of Plymouth Village Water Department; and find the same have been correctly cast and properly vouched.

M. A. BATCHELDER,

Auditor, 1942.

REPORT OF PLYMOUTH VILLAGE PRECINCT

Fire Department

Your Commissioners in 1941 have tried to provide the best possible protection with the amount budgeted at the start of the year, making only essential repairs and replacements when needed. The following Budget for the coming year is shown with comparisons and explanations, to better indicate our needs for 1942 operations of the Department.

Items	1940	1941	Estimate 1942
Fuel	\$ 580.98	\$ 574.85	\$ 500.00
Power and lights	273.70	270.18	275.00
Firemen's pay	2,333.09	2,934.55	2,700.00
New equipment	209.95	9.49	500.00
Supplies	314.19	368.15	300.00
Repairs	238.32	520.69	500.00
Bonds paid	781.25	500.00	500.00
Interest paid	96.04	69.16	75.00
Insurance	392.65	380.65	350.00
Commissioners	200.00	200.00	200.00
Miscellaneous	143.53	113.48	125.00
	<hr/>	<hr/>	<hr/>
	\$ 5,563.70	\$ 5,941.20	\$ 6,025.00
Add fire hose account purchased in Nov. bill received and paid in February 1942			\$ 700.00
			<hr/>
			\$ 6,725.00
Deduct carry-over bank balance 2/1/42			\$ 1,141.47
			<hr/>
Proposed 1942 budget for Department			\$ 5,584.23

It should be noted in expenses for 1941 that, included in the total of Firemen's pay, is the amount of \$135.00 which was paid to the Plymouth District Warning Center operator in December and January. It is understood by the Commissioners that pay for this employee will be budgeted by the Town for 1942 in another appropriation.

Of the amount shown as expense for Repairs in 1942, it should be noted that \$285.06 of the amount was used for raising and replacing runway approaches at the street line in front of the Fire Station.

The budget of \$500.00 for new equipment in 1942 will be used for the purchase of fire helmets for the company (they have none) and for general replacement of equipment.

In addition to 51 chimney fires and 7 still alarms, the Department responded to 6 box alarms during the year and 8 out-of-town calls for assistance. The Commissioners urge all taxpayers to use caution with fire; keep attics, cellars and closets free from rubbish and inflammable material. Fire Prevention Pays!

Sidewalk Department

With a budget of \$500.00 for new construction in 1941, your Commissioners completed the Broadway to Langdon St., project of concrete sidewalk, during the year laying new sidewalk from Emerson Court to the Langdon St. corner. This walk was raised as much as two feet in places to eliminate bad flooding conditions in the old walk. A total of \$509.00 was expended with a \$12.00 rebate from a property owner, leaving a carryover of \$3.00 for the year. A budget of \$500.00 is asked for 1942 to repair sidewalks in many locations and construct such new walks as are deemed necessary.

Sewer Department

During the year of 1941 the Department had many serious sewer breaks which appear to have been the result primarily of heavy earth tremors which caved and shifted the drain lines. Many of these occurred in cold weather and some were under State highways, thereby making the repair difficult and expensive. With a budget of \$3,000.00, the Department paid off \$1,000.00 on the Bonds, \$1,000.00 on note carried over from previous year, \$482.50 for interest on bonds and notes and \$47.00 for miscellaneous items. A total of \$2,046.85 was expended for repair of sewers. These total expenses necessitated the borrowing of \$1,700.00 which is now owing. We also need \$1,000.00 for bonds coming due this year and \$450.00 for interest and estimate that we will need \$700.00 for repairs in 1942. A budget of \$3,850.00 is therefore requested.

F. W. CHASE,
W. A. RAND,
F. L. WILLIAMSON,
Commissioners.

REPORT OF SUPERINTENDENT OF SCHOOLS

The fifth annual report of the Superintendent of Schools is herewith submitted and in the interest of conservation and economy is the shortest in this series.

The report of the Headmaster of the high school covers the activities of the school and the statistical tables of the district appear with this report.

The administration has cooperated closely with federal, state and local authorities in the matter of air raid drills in the high and grade schools.

The best advice possible has been secured and followed in regard to protection of life and property. The local defense authorities have expressed themselves as pleased with the measures of protection set up.

Plans are going forward for vocational and related instruction for out-of-school rural and non-rural youth in the Model School building. This is a federal project operated through the State Board of Education. It is designed for out-of-school youth of two classes. Those going into defense work will find themselves prepared for good positions on successful completion of the courses, and those remaining on the farms where there is a shortage of labor will be able to make repairs on tools and machinery. The federal government furnishes teachers, supplies, heat and equipment gratis and the district furnishes the building. It is expected there will be courses in metal working and electricity.

Since the last report the Board has purchased bleachers for the gymnasium which the public has enjoyed at the basket ball games. Curtains for the auditorium have been installed and clocks throughout the building. The Board has had expenses that could not have been anticipated a year ago. It will cost approximately \$500.00 to put the Model School in condition, not only for the proposed defense school, but to preserve the building, which has depreciated since occupancy owing to the fact there has been no heat

in it. There must be a little heat through the freezing months. Both schools needed air raid equipment and the Sargent School needed a fence and painting inside. With rising prices and anticipated difficulty in supplies, it seemed expedient to make substantial repairs at the high school.

The tuition receipts at the high school have dropped about \$1,000.00 owing to the fact that 20 Warren and Wentworth children are attending the Orford High School. This is due to the attraction of the splendid agricultural course offered there and to the fact that bus transportation is now available shortening the school day for pupils heretofore dependent on railroad transportation to Plymouth.

Respectfully submitted,

ALLAN M. McCURDY,

Superintendent of Schools.

HEADMASTER'S REPORT

To the Superintendent of Schools:

I herewith submit my thirteenth annual report as Headmaster of Plymouth High School.

Class of 1941

First Honor	Elizabeth Lakschewitz
Second Honor	Ellen Houston
Third Honor	Juanita Downing

The class held its graduating exercises in the New Auditorium on Tuesday morning, June seventeenth, at ten o'clock where a class of sixty-eight received their diplomas. The public reception was held in the evening of the same day in the same place.

About 23.5% of this class enrolled in post secondary institutions or continued their work as post graduates and nine have enlisted in the service of their country or entered into defense work. They are distributed as follows: Plymouth Teachers College 6; Nurses' Training School 4; Laconia Business College 1; U. S. Navy 4; U. S. Army 1; U. S. Naval Reserves 1; N. Y. A. Schools 3; Defense works 3; and Post Graduates at P. H. S. 2.

In a survey made of the classes from 1935-1941 inclusive, it was found that fifty boys have entered into the service of their country distributed as follows: U. S. Army 26; U. S. Navy 17; U. S. Marines 4; U. S. Naval Reserves 1; and U. S. Corps 2; It was found that three left school this year to enter the Navy.

The Plymouth High School is approved by the State Board of Education and hence enjoys the privilege of certifying students to the University of New Hampshire and to the Plymouth and Keene Teachers Colleges. It also is approved by the College Entrance Examination Board.

To be certified a student must show by his high school work that he is ready and capable of doing col-

lege work. This can, in most cases, only be accomplished by regularity of attendance and conscientious application to the work.

Under the present schedule no student can be efficient without study at home.

New Teachers

There have been four changes in the teacher staff since the last report besides the addition of an extra teacher. Three of the teachers had been with the school for several years and have contributed much to the success of the institution.

Walter D. Bowlby was appointed to replace Charles R. King in the science department. Mr. Bowlby is a graduate of Dartmouth College and has taken work at Middlebury, Temple, Fordham and Boston University. Eloise Jenkins, who came to teach French and Spanish, is a graduate of Middlebury College and had a successful year's teaching at Penacook, N. H. Esther Cleveland, who previously taught French, left at mid-years to continue her study at Boston University. Mary R  che, who graduated from the University of Maine and has studied at Bates, and Columbia, replaces Ruth Frink, who resigned last summer. G. Winston Carter was appointed to teach Biology, Sociology, and Economics thus enabling Miss Ricker to devote all her time to the Domestic Arts Department, which has increased so rapidly that it requires a full time teacher. Mr. Carter graduated from the Plymouth Teachers College and has had experience in Appleton Academy. Evelyn Nelson, Salem Teachers College 1941, replaced Miss Atwood. All of these teachers together with the others are doing an excellent piece of work.

The school has been made ready for air raids. Plywood has been fitted to the inside glass windows so that the corridors on the second and first floors can be used for shelters. Sand, shovels, and fire extinguishers have been placed at advantageous points throughout the building. The pupils have been organized into squads each ready to perform some func-

tion in case of necessity. Several drills have been conducted so that each student may know his place or job.

Recommendation

It is more and more evident this year that the school needs a course in Mechanic Arts for the boys. There are many boys in the school who should have this kind of work to keep them interested in obtaining an education which would enable them to fit into a true democracy.

I wish to thank you, Superintendent McCurdy, the School Board, the Citizens, the Teachers, and pupils for the fine support and hearty cooperation which I have received during the past year.

Respectfully submitted,

CHARLES E. MOORS,
Headmaster.
